YOU and the Corps of the Future

With all this talk about reorganizing the Corps of Engineers, you—as a Corps employee—need to understand what the changes really mean and how you fit into the Corps of the future.

To help you make the most of your career inside or outside the Corps of Engineers, this handbook—

- Explains some changes in the organization and its work force.
- Gives some hints on how to help yourself.
- Describes several Corps programs already in place.

Commandwide Outplacement Program	9
Moving Expenses	12
DA Relocation Services for Employees	14
Retraining	17

- Describes other government placement programs.

DOD Priority Placement Program	19
Defense Outplacement Referral System	22
Reemployment Priority List	26
Displaced Employee Program	29
Interagency Placement Assistance Program	32
Family Member Employment Assistance	36
Army Career and Alumni Program	41

- Discusses other programs you should know about.

Reduction in Force (RIF)	44
Grade and Pay Retention	54

Discontinued Service Retirement	57
Voluntary Early Retirement Authority	60
Severance Pay	62
Unemployment Compensation	64
Continued Life and Health Insurance	66
Leave and Retirement Refunds	69

- **Defines some of the terms and acronyms you may be hearing.**
